

**NON-TOXIC! NO PESTICIDES!  
MADE OF BIO-DEGRADABLE MATERIAL**

*The FLYCATCHER offers the following benefits:*

- Super adhesive, durable glue
- Extensive catching surface (23" x 12")
- Environmentally friendly
- Easy to mount and lasts 1 year
- Catches up to 8000 flies!
- Free of chemical additives

Use the FLYCATCHER in any location and on any surface where horses, ponies, foals or other animals are stabled. FLYCATCHER can be mounted on flat surfaces, such as walls and ceilings or can be bent around pipes, lights or columns.

**Instructions for use:** Remove the protective paper and mount as desired. FLYCATCHER with protective paper can be stored in cool place for several years.

**Mounting Recommendations:**

- ◆ Hang FLYCATCHER sheets at varying heights. At times of heavy infestation of flies, hang sheets at closer intervals.
- ◆ Hang FLYCATCHER early in the season to reduce high fly populations and to help break the egg cycle.
- ◆ In dusty environments, hang FLYCATCHER sheets in cradle form, with the glue side facing downwards.
